**COMPLIMENTARY TRANSLATION. THE OFFICIAL VERSION OF THIS POLICY IS THE ITALIAN ONE. ALL DISPUTES ARISING THEREFROM WILL BE CONDUCTED EXCLUSIVELY ON THE BASES OF THE ITALIAN VERSION**

### **GENERAL INSURANCE CONDITIONS FOR THE INSURED**

#### **Art. 1. - OTHER INSURANCE**

For the same risk you can be insured with different insurance companies.

**If a Claim occurs, you must inform all the insurance companies with which you are insured on the same Risk and, among them, Europ Assistance, of the existence of other insurance companies that cover the same Risk. In this case, art. 1910 of the Civil Code.**

*Art. 1910 of the Civil Code wants to avoid the case in which the Insured, who has several insurances for the same Risk with different insurance companies, receives a total sum greater than the damage have suffered. For this reason, the Insured, in the event of an claim, must inform each insurance company of all the insurances taken out with the others, for the same Risk.*

#### **Art. 2. - GOVERNING LAW AND JURISDICTION**

The Policy is governed by Italian law.

For everything that is not provided for by the Policy and for all the rules of jurisdiction and/or competence of the judge, Italian law applies.

#### **Art. 3. - TERMS OF PRESCRIPTION**

**Any of your rights against Europ Assistance are time-barred within two years from the day of the Claim. In civil liability insurance, the two years run from the day on which the injured person asked you for compensation or sued you to obtain it. In this case, art. 2952 of the Civil Code.**

**For covers other than Assistance in the event of the opening of the claim and pending legal proceedings, you are obliged to interrupt the statute of limitations in writing.**

**It should be noted that the pendency of judicial proceedings is not considered a cause for suspension of the statute of limitations.**

*E.g.: if the Insured reports a Claim after the maximum term of two years established by the Civil Code, they will not be entitled to compensation.*

#### **Art. 4. - PAYMENT CURRENCY**

In Italy you receive the Compensation in Euros. If you claim Compensation for expenses incurred in countries that are not part of the European Union or belonging to the European Union, but which do not have the Euro as their currency, Europ Assistance calculates the Compensation by converting the amount of the expenses you have incurred into Euros. Europ Assistance calculates the Compensation based on the value of the Euro in relation to the currency of the country in which you incurred the expenses on the day the invoice was issued.

#### **Art. 5. - WITHDRAWAL IN THE EVENT OF A CLAIM**

**After each claim report and up to the 60th day from payment or refusal of payment, you can withdraw from the Policy by writing to Europ Assistance a registered letter with return receipt. Withdrawal is effective 30 days after Europ Assistance received your registered letter with return receipt. Europ Assistance, in the following fifteen days, will refund you the part of the premium relating to the period of risk not incurred, withholding taxes.**

**Europ Assistance can also exercise the right to withdraw after a claim with the same thirty days' notice.**

**The collection or payment of premiums due after you have reported a claim or any other act of yours or Europ Assistance cannot be interpreted as a waiver of the right of withdrawal.**

**Europ Assistance undertakes to terminate the management of claims in progress on the effective date of the withdrawal and the management of claims that occur before the withdrawal and reported after the withdrawal, provided that they are within the time limits set out in the article "Obligations of the Insured in the event of a claim" of these Conditions of Insurance.**
